Marston Campbell thinks it will be a standoff between paid-ups and delinquents regarding sewer rates, which are due and payable on or before July 15.

Spend a portion of your vacation at Haleiwa, where the bathing is superior. There is excellent cuisine and the rooms in the hotel are perfect as to ventilation.

The meats at the Metropolitan Meat Market are superior to any sold in the city because due attention is paid to the care of them as well as to the selection of the cattle.

A bond of \$1000 was put up by the chief officer of the Siberia before the departure of that vessel for the coast to secure his appearing at the next arrival of that ship in port.

It is expected that by July 15th, the day of sewer rate delinquencies, only one half of the people will have paid their tax. A penalty will be imposed on those who fail to pay their tax by the date mentioned.

Inspectors of the Board of Health are now enforcing the law against public drinking cups, which are prohibited by the provisions of the anti-tuberculosis law passed at the last session of the Legislature.

Judge Robinson on Saturday granted E. C. Peters, attorney for Harry Armitage, twenty days additional in which to make answer to the sensational charges made by Robert William Holt, who accused Armitage with an abuse of trust responsibilities.

District Magistrate Monsarrat has appointed Joseph Rose as special Spanish and Porto Rican interpreter with the first of the month. According to a recommendation coming from the District Magistrate and addressed to Mayor Fern, Rose is declared a competent and reliable linguist. He will receive a salary of forty dollars a month for his services.

PRISON SERVICE; JUDGE PRESIDES

Kauai Magistrate Not Only Speaks But Sings to Penitentiary Inmates.

Judge D. K. Kapahee of Koloa, Kauai, a delegate to the conference of the Hawaiian Evangelical Association, which closes its work today, held court in the Oahu Prison yard yesterday morning. It was an unusual thing for an island district magistrate to preside over a court, where he has no jurisdiction, but that is what actually happened yesterday in the Oahu penitentiary.

Judge Kapahee, who went at the invitation of J. M. Martin, the superintendent of religious work in the prison, presided at the regular morning service. Kapahee is a well known Christian worker. During the service, he preached a strong and interesting sermon to the inmates.

Judge Kapahee, who has a good voice, sang a number of songs. He was formerly a bandmaster at Hilo. At Koloa he leads the choir of the native church. There were about twenty pastors and delegates present, all the islands being well represented.

Why Is It?

A customer asked the other day—"Why is it that I always feel better in a hat with the Knox Label in it?"--he had so long associated quality and correctness with the Knox Label that he had come to believe that the Label was sort of a talisman.

The label points the way--it has pointed the way for over 70 years to the HIGHEST POINT reached in hat making.

But it's always a true index; the sign-board of perfection; whether it be silk, stiff, soft felt or straw.

LOCAL AND GENERAL

Honolulu is becoming such a cosmopolitan city that District Magistrate Monsarrat finds that in order to conduct his court on a satisfactory basis, there is urgent need for an increase in the present staff of court interpreters. In a letter of recommendation addressed to Mayor J. J. Fern, the District Magistrate emphasizes the employment of suitable interpreters who speak and translate Filipino dialects, also Russian, Italian, German and French languages.

Get a ticket for the Maui excursion, which leaves the Kinau wharf this evening at 7 o'clock, from the booking office, Queen street, and be sure of a berth. There will be unusual attractions at Waikuku tomorrow and the trip will be worth while. The round trip will cost seven dollars and fifty cents; those who take deck passage with mattress may have round trip tickets for five dollars. The races will be by good horses and the baseball will be up to the standard of the best in Honolulu.

A. C. Alexander, representing the Committee on Building and Grounds for Oahu College, has addressed a communication to Mayor Fern asking permission to remove about 500 cubic yards of soil from a portion of lower Manoa road adjacent to College Hills property. This soil is needed to assist in filling in Alexander field. It is proposed to take the soil from the sidewalk which is declared as between four to five feet above the established grade. Mr. Alexander also points out that the earth is not required for road work and its removal will prove advantageous to the property owners. The matter has been passed up to the road committee for action.
